# Connect

Unlocking the potential through collaboration

IONOS

deployEMDS

IONOS is a partner to various lighthouse projects

# Challenge

## Fragmentation & Immaturity

- Need is Evident, Path is Foggy
- Multiple Initiatives, Lack of Unity
- Abundance of Theoretical Docs
- Code Immaturity and Lack of Documentation

- Learn from WordPress and Kubernetes
- Isolated Excellence Isn't Enough
- Unified, Powerful Core
- Collaborate, Then Compete

# Call to Action

## Join Forces

- Call to Action: Unify for Strength
- Vision of Ease: Get it as Easy as a WordPress Website
- Billion-Euro Market: Built on a Stable, Open-Source Core
- Time to Act: Perfect the Core, Then Compete in Services

# Call to Action

## Contribute Back to Open Source

- Contribute back!
- Fix something
- Report the issue to the community
- Be the community!

**Thank you for your attention!**
